Commodore's Report

The state of our club is good. Despite the challenges of our viral circumstances we are not at any risk of closing. This is the result of your continued support for your club. We have been able to continue our employment of our staff. We have completed numerous projects to include assembly of all the new pool furniture, deep cleaning the kitchen, painting, etc.

We are now reaching out to the beach. We have a Pagoda Bar and grill. For the time being, it is open to the public and we are happy to support the beach experience for everyone.

We have applied for and are waiting for confirmation on receiving financial assistance from the Paycheck Protection Program. This will go a long way to helping us as we get deeper into the viral season.

The amount of patients with positive COVID 19 tests is dropping off quickly. I anticipate we will have an increase in cases as we open our community back up however, our hospital has not been overwhelmed. In fact we are seeing less patients than usual. We are prepared.

Please get outside as much as possible. Go for a walk on your beach. If the crowds intimidate you pick an hour with less people. Get up at the crack of dawn and enjoy the best Spring weather I can ever remember.

Cheers!

Your Commodore,

Joseph Pocreva

The flag halyard snapped in the last big wind. Tim Fortney contacted the OSFD and they agreed to help us fix it (photo submitted by T. Fortney).

From Your Club Manager

Trisha Callahan

OSYachtClub@cableone.net

Ahoy There from Your Club!

Happy Summer! Well as happy as we can be under these circumstances. Thank you for all of your generosity! We have found some inventive ideas to keep the Club afloat. We will continue to offer supplies as long as you place your order via email by Wednesdays at 3:00 PM. You can also purchase marinated ribeye steaks, filets

and pork chops to take home and throw on your grill. In addition, our full menu is available for carryout. Please stop by the Club and enjoy a cocktail while you wait; as long as we maintain the 6-foot rule this should not be a problem.

We are now offering a Curbside Bar & Grill on Fridays and Saturdays, featuring ice cold draft beer, wine and cocktails along with hamburgers, hotdogs and "covid" kabobs are just a few things that will be accessible at the pagoda.

The Club staff have been busy little bees, replacing the exterior door handles, painting, assembling the new pool furniture, removing the isinglass panels for storage, and deep cleaning. These are just a few specific things they have accomplished during these slow times. We want to welcome everyone back to a better and more enjoyable Club in the future. We are going to throw some BIG parties once this blows over!

I want to again thank you all for supporting your OSYC. We cannot stay strong as an organization without the support of the membership, and you have gone above and beyond to make sure the Club is able to stay up and running and that the staff has been well taken care of. Mr. Ronnie Hughart came up with a great idea to raise extra funds for the club by donating and auctioning items, check out your email blasts for more information on our weekly Seabay auctions.

Galley hours: Tuesday-Sunday 12:00 pm-8:00 pm
The club is closed until further notice. (Carry out only)

May events on the calendar:

Events cancelled until further notice.

Thank you all for allowing me to serve as your manager. I will continue to work hard to support all aspects of our club and the best interest of the membership. Please feel free to email or call and talk with me personally about ways to make our club better!
